

## 100% Capital Protected investment with exceptional growth potential

Do you have capital on deposit at rates which are barely beating inflation?

Have you been tempted to invest in equities, but been put off by the fear of financial losses?

Would you be tempted to invest in equities if your initial investment was fully protected at maturity?

Would you like to have the opportunity to make gains when the equity markets fall, as well as when the equity markets rise?

If your answer to these questions is yes, please call  
**James Simpson** at Blythe Financial on **619180**  
or email [James@blythefinancial.com](mailto:James@blythefinancial.com).
