

Blythe Financial Limited Chartered Financial Planners do it again ...

Blythe Financial is delighted to announce that Sue Blythe, Director has been awarded the prestigious title of Chartered Financial Planner, having successfully completed the Advanced Diploma in Financial Planning set down by the Chartered Insurance Institute. Commenting on her award Sue said, "I am delighted to have received this award and feel that it clearly demonstrates our commitment to providing the best possible quality advice to our clients and professional partners. I also think that it shows leadership by example to our great team of hard working staff of what being professional means."

This award means that along with her husband Alan, Blythe Financial now has, under one roof, two out of only three Chartered Financial Planners on the Isle of Man. Alan Blythe is also a Chartered Associate of the Institute of Financial Services making Blythe Financial a unique financial advisory company in the Isle of Man. Alan Blythe said, "I am so pleased that Sue has achieved this award as it takes us a further step down the road of becoming the island's most qualified, professional and capable financial advisory team. With all of our staff now embarked upon a programme of attaining professional qualifications I think that we can visibly and demonstrably show that not only can we 'talk the talk' like everyone else but we can also 'walk the walk'. These awards cannot be bought or attained merely by joining a club; they take commitment, dedication and hard work and our hope is that our clients and professional partners will see and appreciate the benefit for themselves."
